

MAY 2019

With the Midwest spring weather we have had, we can say that we completed another spring rec season that included snow, hail, rain, wind and some sunshine here and there. Northwest Iowa Soccer Club Board of Directors would like to thank everyone for a successful season. Thank you to everyone that volunteered to coach, set up fields, drive a courtesy cart, work a shift in the concession stands and any other job that needed to be completed. Now NWISC is switching gears and gearing up for summer soccer!!

GALAXY CLUB SOCCER

The Galaxy club soccer teams have started summer practices this week. The teams are looking forward to the summer and attending multiple tournaments. In June, they will be attending the Tempo Summer Classic in Tea, SD and Moonlight Classic in Waterloo, IA. All the teams including the academy programs will be partaking in the club team camp, June 17-21st, here in Spencer. Coaches with Challenger Sports will be working with our teams during that week.

At the beginning of May, we hosted friendlies here in Spencer for the academy program and Galaxy teams. We had teams from Brandon, Mason City, Spirit Lake, Storm Lake and Worthington in town to play a couple games per team to prepare for the summer season.

Over Mother's Day weekend, the club teams participated in the DASC Ohayon Tournament. The U12 boys took 1st place in their division!
