

# NOVEMBER 2018

We hope that everyone had a great Thanksgiving! With the chilly and snowy weather that is starting to make its way into Northwest Iowa, club teams have moved practices to the indoor facility to continue working on their skills and improving as a group. Breakfast Club has started up for the winter season for the U12-U16 girls teams. They meet every Tuesday morning before school for technical training, grab breakfast provided by parents, and then head off to school.

*Good luck to the Galaxy U12, U13, U14, U15 & U16 boys' teams playing in the DASC Boys Winter Games!!*

Spring Rec Registration: COMING SOON!

The final number is in for the amount raised from the fall fundraiser. With the help from all the volunteers, rec soccer players, and parents, \$9500 was raised this fall. This will be put towards new goals and nets as they begin to age and start to break. We would like to give a big thank you to Brian Fassbender and H & N Chevrolet Buick for the generous donation of the Vacation Getaway Package that we raffled off.

We are in the process of spring rec soccer registration starting up so keep a look out for important dates and information coming soon. We don't want you to miss out on the early bird registration rate!

## ACADEMY PROGRAM

NWISC is offering an additional winter session for both the girls' and boys' academy programs. Each team receives one practice a week at the indoor facility. The academy program is offered for anyone with the birth years of 2009, 2010 & 2011 who seek individual soccer skills in a more structured environment. It is designed to focus on the developmental needs of those who show a heightened interest in soccer.
