- Individual awards will range anywhere from \$0 - \$890, not to exceed the budgeted amount determined by the Board of Directors each year. Each scholarship is approved on a case by case basis. The amount of the award depends on need, family income, number of family members and amount of players requesting scholarships.
- Special circumstances, such as large medical expenses not covered by insurance, loss of income due to illness, etc. are also taken into consideration. Be sure that you include an explanation of this in your written explanation if you have circumstances like these that should be considered.
- All information will be treated confidentially by the club director and board members.
- The parent/guardian listed on the scholarship form will be responsible for paying all other club fees not covered by the scholarship. All non-covered costs will follow those guidelines listed in the club contract.
- Upon receiving a scholarship, each family may be asked to complete a certain job or task for the club. For instance, a family might assist at the concession stand for a Saturday morning during the recreational games. The jobs and tasks will vary and are based on what family members are able to do.
- We try to offer some assistance to everyone who has need, but budget limits may not allow us to give aid that everyone feels they need.
